

The Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone Privacy law in a proceeding before the Federal Communications Commission (FCC).

IF the banks, or any other business, wishes to be permitted to telephone one of their customers who is on Indiana's DO NOT CALL LIST, PLEASE require them to solicit written permission from the customer, NOT from the FCC. That was/is the whole purpose of the DNC list - to get the UNwanted telemarketers OUT of our phones!!

PLEASE DO NOT LET THEM BACK IN.

thank you,
